MINING COMPANY	)

O R D E R

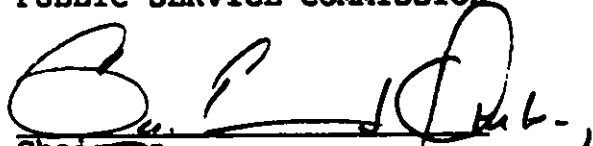

On June 1, 1990, Henderson-Union Rural Electric Cooperative Corporation ("Henderson-Union") filed a letter, which the Commission will treat as a motion, requesting that the review of its Second Amendment to Agreement for Electric Service to Pyro Mining Company be held in abeyance since Henderson-Union does not, at the present time, have the right to provide electric service to Pyro Mining Company. In the alternative, Henderson-Union requests that the Commission dismiss this case without prejudice to Henderson-Union's right to refile the service contract if it receives authorization to serve Pyro Mining Company.

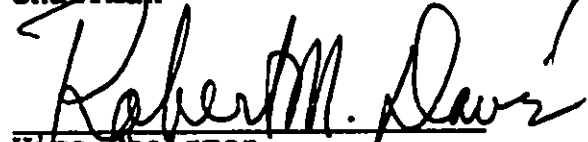

Based on the motion and being advised, the Commission hereby finds that this case should be dismissed without prejudice.

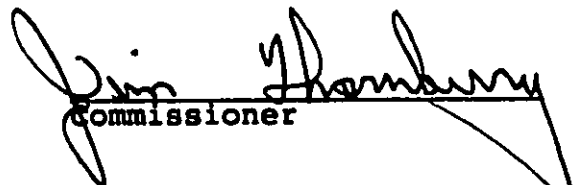

IT IS THEREFORE ORDERED that this case be, and it hereby is, dismissed without prejudice.

Done at Frankfort, Kentucky, this 8th day of June, 1990.
